We are excited to welcome everyone back for our Spring Term. As we settle back into our regular routine, we want to remind our students to dress for the weather each day.

Recess breaks and play are important to the development of our students and we ask that students wear ski-pants, mitts, touques and jackets when playing outside. Sending extra socks and pants is always recommended to ensure students stay warm and dry.

All bus students are required to have an emergency contact in town that we can access if the roads are unsafe and busses don't run or if the parent is unable to pickup. Please call the school with this contact information. We want to keep our students and staff safe in this event and ensure everyone gets home as soon as possible.
